Hafla Information on Instructors and Workshops

Nabeela has performed throughout the USA, Canada and Turkey. She is a certified instructor of the Jamila Salimpour method and has taken master classes with many of the Luminaries of Mid-eastern dance. Madam Shalimar has developed a style that is true to the culture and highly entertaining. Improvisation, percussive, earthy, just like home, reflective, sensual, and fiery are just a few of the adjectives applied to her. Called "A Diva of Distinction" Nabeela is able to maintain the spirit of the ancient dances of the Middle East and North Africa while remaining on the cutting edge. Ms Shalimar shares her extensive knowledge, vast experience and unique perspective with an easy-going, supportive blend of wit and wisdom. Nebeela's workshops are always more than just steps. She showed how to layer your movement with your music to create a fluid multi-dimensional performance. In the process of learning technique we discovered many layers of our own hidden depths.

Sidonia presents three days of workshops to energize and delight dancers of all levels.
